SELF SHORTING A-BASE ADAPTER

3S METER FORM

4S METER FORM

Automatic shorting switches make these A-Base to socket Adapters unique. Now you can safely install CT rated socket meters on single phase A-Base installations that do not have test switches or other provisions for shorting the CT's.

MAIN POINTS

- SNAP action switches, no switch hesitations.
- 15A, 240V switch rating
- Insulated rollers for meter presence detection.
- Enclosed switch design,, dirt, moisture and critter resistance.
- Models for both 3A and 4A applications.

This shorting feature also available in socket to socket extension adapters.
