### Marwell Announces New “K Base” Jumper Plate

**POLY PHASE JUMPER**

**SINGLE PHASE JUMPER**

Marwell Corporation is proud to announce the development of our new poly phase “K Base” Jumper Bypass Plate. The new device eliminates the need for multiple jumpers when installing or removing the Poly phase K Base meter. The jumpers are combined into one unit for ease and safety during meter maintenance. Device serves as a safety shield to help keep hardware from falling into the bus work during the removal or installation of the meter. Available for poly phase or single phase applications.
